An Invitation to Sponsor Beauty's Community Garden

Dear Potential Sponsor,

We're entering the time of year where funding the coming calendar year--January 2024 through December 31, 2024 is upon us. As part of Beauty's Community Garden's fundraising efforts, we're excited to introduce you to our annual, *Unleashing the Power of Green Campaign*. This campaign supports several initiatives that are making a root level impact in the community, from providing direct food access, to education on urban farming, nutrition, and healthy eating. The Independence Heights district, where Beauty's Community Garden resides, has evolved, over the years, into a community with limited nutritious fresh food access. This results in physical and mental wellbeing challenges and higher rates of chronic illness. Beauty's Community Garden has created a powerful symbol of unity and growth, and a peaceful retreat fostering a community spirit and environment around sustainable healthy living.

Your sponsorship will directly contribute to creating a greener and healthier environment for our community. The funds will be used for our organization's continuous improvement, garden sustainability, and expansion. Additionally, they will support educating the public with workshops on organic gardening and nutrition.

As a sponsor, you'll receive visibility through our online and offline promotional materials, signage in the garden, and recognition at our programs and events. Moreover, your support will underscore your commitment to corporate social responsibility, enhancing your brand image among your customers, employees, and the wider community.

By partnering with us, your organization can join the mission of empowering individuals to become their own food source, by aligning with one of our initiatives and programs:

WITH YOUR HELP, POSSIBILITIES ARE ENDLESS!

Go to the *Unleash the Power of Green Campaign* page for general Sponsorship info and links bit.ly/45URY1g

- Donate towards our *MAIN Organization* as a Sponsorship: A financial contribution that helps our organization meet our mission. Link: bit.ly/3EIPk2D
- Donate towards our *Year-Round PROGRAMS* as a Sponsor: Provide a financial contribution toward our garden and nutritional health programs that are open to the public. Link: bit.ly/3EJw19g
- Underwrite a *Garden Opportunity Empowerment Zone*: Sponsor one of the 13 zones in our garden needing completion or renovation. Link: bit.ly/44UYnYW

Join us in cultivating a healthier, greener, and more connected community. Enclosed, please find detailed sponsorship levels and benefits. We are confident that we can find a partnership opportunity that meets your needs and amplifies your impact.

Let's sow the seeds of change together. Contact us today to discuss how we can grow a better future. As a non-profit organization, Beauty's Community Garden is immensely appreciative of our volunteers, donors, and sponsors who have played an instrumental role in supporting our initiatives, programs, and events.

Thank you for considering this opportunity,

Best Regards,

A handwritten signature in black ink that reads "De Andrea Y. Leno".

3 GARDEN OPPORTUNITY EMPOWERMENT ZONES

SPONSOR (UNDERWRITE / IN-KIND)

What better place to start creating the experience we imagine for our community than right in Beauty's Community Garden? We've divided the garden into 13 *Opportunity Empowerment Zones*. When you sponsor or underwrite a zone, it helps us get closer to realizing the garden as the culturally rich educational space and community space, for plant-based whole-food access we envision. As you look over the zones, consider two ways to receive the full benefits:

1. Underwrite the full cost of a Garden Opportunity Empowerment Zone,
2. Provide the full materials and labor to complete a zone.

DELIVERABLES PER ZONE	ZONE VALUE \$10K+ OVER	ZONE VALUE \$5K-\$9,999	ZONE VALUE \$2K-\$4,999	ZONE VALUE \$500-\$1,999

BCG-U3
RETROFIT & BUILDOUT OF
20' FT SHIPPING CONTAINER
\$50,000

This zone focuses on a retrofit and buildout of the 20ft. container, already on-site at the garden. This new space will provide shelter, an indoor, air-conditioned space, restroom facilities, and storage to support garden programs and visitors.

BCG-U4
POWER ENERGY
SOURCE & SOLAR
\$15,000

As an organic, environmentally conscious garden, This zone supports bringing electrical power to the garden by installing and setting up a solar system atop the 20ft. container onsite. Solar is a clean, quiet, and safe economical energy source.

BCG-U5
RAIN BARRELS
AND WATER SYSTEM
\$10,000

This zone pays for a complete rainwater system that collects and connects to crops throughout the garden by utilizing our 20 ft. container as the primary collection source.

BCG-U6
ALUMINUM
FENCING & GATING
\$7,000

There's an old chain link fence surrounding the 9000 sq. ft. garden. This zone funds the installation of aluminum fencing on two sides of the garden adjacent to the street with traffic -- Airline Drive (a main street) and 32nd Street (a side residential street.) Funding includes a few access gates.

BCG-U7
GARDEN BED
CONSTRUCTION
\$10,000

This zone focuses on creating Six (4 x 8' x 36") and Ten (4 x 10 x 36") above-ground garden beds. These beds will be built up and framed to provide an accessible and comfortable height for all ages. It will expand the garden's sitting area, support crop health, and provide a cohesive look throughout the garden.

BCG-U8
COMPOST BIN AREA
IMPROVEMENT
\$650

As an organic and environmentally friendly garden, composting keeps soil healthy and biologically active. Its several environmental benefits help reduce greenhouse gas emissions and recycle plant nutrients. Our compost area upgrade includes a more efficient compost drum.

'Unleashing the Power of Green'

3 GARDEN OPPORTUNITY EMPOWERMENT ZONES

SPONSOR (UNDERWRITE / IN-KIND)
- CONTINUED -

 **BCG-U9**
GARDEN EDUCATIONAL
SIGNAGE
\$3,500

As an educational community garden, we will standardize how plants are labeled. Larger signs throughout the garden will help visitors navigate the various planting areas and learn about the plants--how to care for them, the nutrients they provide, and how they are prepared and used. Eventually, we will expand learning by incorporating QR codes.

 **BCG-U11**
MAIN ENTRI-WAY OPENING
& WELCOME SIGN
\$6,000

We want to create a unique opening and Welcome sign that feels welcoming to visitors when they come to the garden. Part of the front gate opening will be a rolling structure that will provide security when we aren't present and will be easy to open and close.

 **BCG-U12**
GROUND COVER
THROUGHOUT GARDEN
\$7,500

Throughout the garden, we are raising funds for a ground cover that will repel weeds, provide good drainage, and be comfortable as a walking path throughout the garden.

 **BCG-U13**
BRICKS, PAVERS & TRIMS
FOR GARDEN BEDS
\$9,000

Our garden beds must be constructed and framed to provide a cohesive look. Their height will provide easy access for all ages and expand the garden's sitting area and classroom space.

 **BCG-U14**
STAND ALONE GARDEN BEDS
WITH GREEN HOUSE COVERING
\$7,500

All above-ground planter areas are susceptible to Houston's harsh elements (sun, high temperatures, and rain). This zone funds a "hoop culture" throughout the garden, providing year-round protection to crops against intense sunlit and frost.

 **BCG-U15**
THE GARDEN'S HUB
AND BULLETIN BOARD
\$1,200

This stand-alone board will provide class updates, Upcoming events, feature plants, and links to what's happening in the Garden. Included is the who's who at the Garden and a space highlighting sponsors that contributed to the Garden's success.

 **BCG-U18**
PORTA-POTTY
FOR THE GARDEN
\$5,250

Being a garden with an accessible handicapped accessible toilet opens the garden up to taking on opportunities that have been closed to us because we haven't had these facilities. The total amount requested covers a three-year commitment with a once-a-week service.

ADVERTISING INFO & VALUE

As part of your sponsorship, you'll receive the opportunity to place an ad (as a benefit) in printed programs and handouts passed out throughout the year to attendees who sign up for our year-round programs and events. This includes the printed program at Beautys' Community Garden's 8th Annual MLK PEACE through PIE Event & Fundraiser, held on Saturday, January 13, 2024. This event has upward of 300+ attendees. There is no charge as a Sponsor, but we thought you'd like to know the value of your advertising benefit. Once you have your ad complete.

- **Advertising example:** Each participant who signs up for our Healthy Cooking workshops receives a handout with information about the ingredients, the recipes, tips on the health benefits of the ingredients, and names of instructors, sponsors, and supporters. Your ad will be part of this handout. A sample of this handout is on the main Advertising page located at <https://bit.ly/3rnzDuP>

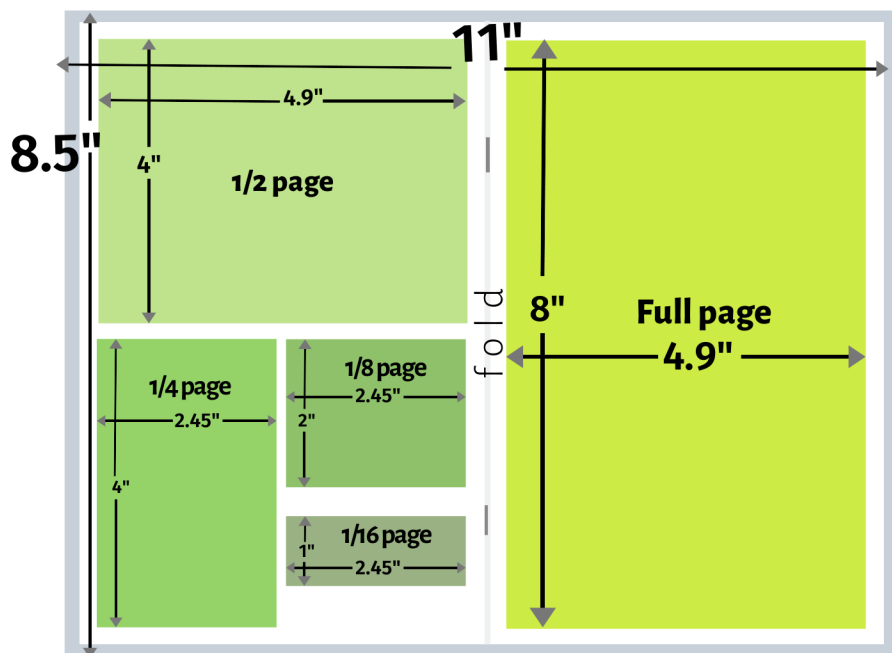

DETAILS When your advertising is complete, use the QR code or link to upload your ad artwork
